**Guest Employer:
FedCap in partnership with
AMAZON**

FedCap was contacted in February 2017 by Amazon to participate in an invitation only RFP. The purpose of the RFP was to identify non-profit providers who had the capability to support the nation-wide launch of the customer's Alternative Workforce Supplier Program (AWSP). Join us to take a tour of the site and receive information regarding how you as a, Job Developer, can get your agency connected.

Individuals seeking employment with Amazon can still go through the Amazon application and interview process without FedCap. FedCap is another alternative to getting your job seeker employed with Amazon.
